Dear UNAA Members

Greetings and best wishes from the UNAA Electoral Commission (UNAA-EC).

The 2023 UNAA General Elections are officially open. We have sent to all UNAA members the 2023 UNAA EC Guidelines and Processes and that the EC will be using to conduct the UNAA elections this year. We hope that you have had the opportunity to read the guidelines and processes that have been issued.

Pursuant to the guidelines, on behalf of the EC, I would like to announce a call for candidate nominations. The nominations are open from **July 9, 2023 to July 16, 2023**.

Please feel free to run for any office you may be interested in, and in addition to nominate potential candidates to also contest for the same. All open positions are listed in the attached electoral guidelines and processes policy document. Please take note that candidates seeking to be elected for any position in UNAA must be members in good standing (i.e., should have paid and/or renewed membership at the time of nomination). The same applies to members who may wish to second potential candidates for the listed positions.

In addition, please be reminded that in order to be eligible to vote, you must be a UNAA member in good standing by August 1, 2023. Below is a snapshot of the main election deadlines.
