November 3, 2020

Statement from UNAA on the just Concluded Presidential Nominations for the Upcoming Uganda Elections.

The Ugandan North American Association is the largest non-political & Non-Profit formal association of Ugandans in the Diaspora. Our organization aims to promote the social, cultural and economic development of the Ugandan Community in North America and beyond.

Among our objectives is the objective; "To counsel and advise relevant governments on policies and regulations affecting UNAA membership". UNAA achieves this objective by engaging the Ugandan Policy makers on issues that affect us and such as the right to Vote, Dual Citizenship, ID(Ndangamuntu), Visa Cost Fees, Land Issues, Diaspora Resettlement issues, to mention but a few.

UNAA provides a platform to engage those that stand for the highest office to clarify to us on their stand when it comes to the Diaspora and how they think the diaspora is a meaningful segment to Uganda as a Country.

Therefore, because of the above objective, we feel that in light of counsel we would also like to see a free, fair, peaceful and calm election in Uganda in 2021 as the Ugandan Electoral Commission just cleared eleven (11) Presidential Candidates today 11/3/2020.

We would like to congratulate the Ugandan Electoral Commission for having given each and every candidate the same accord in the nomination process and we pray that the same will be accorded as they canvass and campaign among the wanainchi.

We pray that the Candidates can follow the EC guidelines and promote a transparent electoral process for the good of Ugandans as they canvass for votes, that there is no Police Brutality, and acts of Impunity during this process.

We ask that citizens can exercise their constitutional right of freedom of expression without deployment of excessive force by the Police. We condemn and discourage any acts of violence and lawlessness and pray that impartiality is exercised by all responsible organs in the course of the process. Once again, we hope for a Free, Fair, Peaceful and Calm Elections next year.

For God and Our Country,

Sincerely,

Henrietta Nairuba Wamala

President, Ugandan North American Association
